2. **Conduct of alleged Musical nights, DJ parties and Professional shows in CUSAT and in Hostels – Note from Dr. Usha Titus, Principal Secretary, Higher Education & Environment Department, Govt. of Kerala to strictly adhere with the Circular No. 26483/G1/2015/ H.Edn. dtd. 12.10.2015.**

The Syndicate considered the Note received from Dr. Usha Titus, Principal Secretary, Higher Education & Environment Department, Govt. of Kerala based on an allegation received in that office regarding the conduct of Musical nights, DJ parties and Professional shows being conducted regularly in CUSAT Campus including the hostels and an instruction to comply with the instructions issued by the Government in Circular No. 26483/G1/2015/H.Edn. dtd. 12.10.2015.

*The Syndicate resolved to constitute a committee to make recommendations on the matter of conduct of Tech Fests and other events by students with the following members:*

*Prof. Alexander K Samuel (Convenor), Dr Poornima Narayan R, Dr Sasi Gopalan and Dr Beena K S as Committee Members.*

---

3. **Conduct of Special Supplementary B.Tech Examinations for prior 2012 Scheme and 2012 Scheme candidates in the year 2020 - Issue raised by Sri. Prajul K.V.**

*The Syndicate resolved to conduct Special Supplementary B.Tech Examinations for prior 2012 Scheme and 2012 Scheme candidates in the year 2020, by collecting a special fee of ₹4,000/- per paper including Application Fee and Fee for Mark list.*
REPORT OF WORK DONE DURING THE LAST FIVE YEARS

1. I have been actively engaged in research throughout. Two of my students have completed their research and awarded Ph.D.

   A. Dhanya, P.M., Text summarisation using intuitionistic fuzzy hypergraphs. (Dr. A. Sreekumar also a guide).

   B. Susan Mathew Panakkal, A geometric approach to fluid dynamics in a space-time manifold.

   One more student has completed her work and is writing thesis. There are three more students working under my guidance who will complete their work in next two years.

2. I have been giving lectures on emerging fields of research. This month I have given Professor K.S.S. Nambudiripad Endowment Lecture at Maharaja's College, Ernakulam. Our research findings have been reported in various conferences.

3. I have been contributing articles on mathematics to Malayalam magazines. I was a member of the Editorial Board of Sastragathy, a monthly magazine of Kerala Sasthra Sahithya Parishat.

4. At present I am engaged in the translation of Mathematical Manuscripts of Karl Marx. Along with this, writing of two more books is going on.

M. Jathavedan.
LIST OF PUBLICATIONS DURING LAST FIVE YEARS OF Dr. M. Jathavedan

13) *Pragmatic Evaluation of the Impact of Dimensionality Reduction in the Performance of Clustering Algorithms* (with Shini Renjith and Sreekumar, A.) First International Conference on Advances in Electrical and Computer Technologies 2019. (To be Published in Springer)

14) *Performance Evaluation of Clustering Algorithms for Varying Cardinality and Dimensionality of Data Set* (with Shini Renjith and Sreekumar, A.) First International Conference on Advances in Electrical and Computer Technologies 2019. (To be Published in Springer)

20) *Analytic Solutions of Bloch Equation with Time Varying Magnetic Field* (with R. Parameswaran) Communicated.

24) *An Empirical Research and Comparative Analysis of Clustering Performance for Processing Categorical and Numerical Data Extracts from Social Media.* (with Shini Renjith and Sreekumar A.) Communicated

25) *SemRec- An Efficient Ensemble Recommender with Sentiment based Clustering for Social Media Text Corpus.* (with Shini Renjith and Sreekumar A.) Communicated
26) Taxonomy Grooming Algorithm — An Autodidactic Domain Specific Dimensionality Reduction Approach for Fast Clustering of Social Media Text Data. (with Shini Renjith and Sreekumar A.) Communicated

Dr. M. Jathavedan,
Emeritus Professor.
Department of Computer Applications.
Cochin University of Science and Technology.
REPORT OF WORK DONE BY Dr. M. JATHAVEDAN

Emeritus Professor

Dr. M Jathavedan joined the department as emeritus professor on 29.05.2010, after his retirement as professor in the department of mathematics on 30.04.2010. He continues to be an active researcher in the areas of language computing and fluid mechanics. He has vast experience in the areas of computational fluid mechanics for the past forty years. Currently he is engaged in active research and is guiding four students in the department. Two of his students were awarded Ph.D during the last year. Also Dr. M. Jathavedan has twenty six publications to his name during the last five years (list enclosed).

Apart from this he is highly involved in popular science movements and is associated with Shastra Saahitya Parishad for the last forty years. He was also a member of the editorial board of the magazine. He has published two books in Malayalam describing the development of mathematics from ancient to present. His performance during his tenure in the department is excellent and of much use of the department.

Considering the above, I recommended for the extension of the emeritus professorship of Dr. M. Jathavedan for two more years w.e.f. 13.02.2020 as a special case.

Dr. SABU M.K.
HEAD OF THE DEPARTMENT
Minutes of the Meeting of the Grievance Redressal Committee

Date and Time: 07.01.2020, 10.30 a.m.
Venue: Syndicate Room

I-Lem: - Grievance of Technical Staff of U.G.

Members Present:

1. Prof. Alexander K. Samuel
2. Dr. Sanis Gopalan
3. Dr. Poozamma Mabayan

Also present:

1. A.A.M. B.I., Dr. John Meen
2. Prof. K.A. Son, (Prof. I.)
3. Fr. Sec. K.A. So. (Prof. & Sec.)
4. R.P. T., So, PUC's Office

The Committee examined the Grievances of Technical Staff of the University with reference to the relevant rules, Government/University orders and judgments of the Courts of Law in this regard. The committee also perused the documents/orders related to implementation of 9th and 10th pay revision in CUSAT.

1. The committee considered the grievance of the Technical Assistants in various Departments/Schools for exemption from passing NET/GATE/Refresher Courses prescribed for promotion to the post Technical Officer.

The Committee recommends to exempt NET/GATE/Refresher Course - prescribed for promotion to the post of Technical Officer under CAS of Technical Cadre (Scientific) - It has been noticed that NET/GATE is not a mandatory requirement for such promotions in any of the Universities/Institutions. Universities usually deny them admission to refresher courses for the reason that they are not teachers. Also, their absence from the University for attending refresher courses is not treated 'as on duty'.
2. The Committee considered the grievance of those holding the post of Technician I in the Department of Instrumentation that they are not included in the technical cadre while the Technicians Grade I in SOE/CUCEK (with the same qualifications and duties) are in the cadre and enjoy a higher scale of pay. The representation of the Service Organisations to induct the posts of Technicians (I, II, III, IV & V) in the Department of Instrumentation (erstwhile USIC) carrying qualifications same as similar posts in other Departments/Schools/Colleges into the Technical Cadre (Scientific) was also considered. The Committee recommends the following:

The posts of Technicians in the Department of Instrumentation be redesignated and inducted to Technical Cadre (Scientific) as follows:

- Technician I and Technician II as Technician Gr II w.e.f. the date of joining. (It is to be noted that the qualification for the post of Technician I is the same as that for Technician Grade I in SOE & CUCEK and the scale of pay for Technician II and that for Technician Grade II is the same as per X Pay revision Order.)

- Technician III as Technical Assistant Grade I and Technician IV and V as Technical Assistant Gr III w.e.f. the date of the Syndicate Resolution

It may also be noted that the qualification stipulated for appointment to the post of Technician III was ITI and 5 years of experience in a reputed workshop and the scale of pay notified was 5500-9075 (as per VII PRO). It is evident from the scale of pay assigned to the post while notifying the same for appointment and its corresponding scale in the 10th Pay Revision Order (30700-65400) that the post was created as one at par with Technical Assistants in other Departments. It is therefore suggested to redesignate the post of Technician III as Technical Assistant Grade I.

The present incumbent in the post of Technician III joined the Department of Instrumentation on fresh selection on 23.10.2010. The qualification stipulated for appointment to the post was ITI and 5 years of experience and the scale of pay at the time of appointment was 9190-15510. Though the scale of pay (revised) assigned to the post of Technician III in the 10th pay revision order is 22200-48000, the corresponding scale of 9190-15510 in said pay revision order, is 30700-65400, i.e., 5 scales above the assigned one. Considering the 20 years of service (including the service in the SOE prior to joining the Department of Instrumentation) rendered by Sri. Babu Varghese in the University and the fact that the post was created as one at par with Technical Assistants in other Departments (as evident from the notified as well as the corresponding scale of pay in the 10th pay revision order), he may be re-designated as Technical Assistant Garade I, inspite of not having the qualification required for direct recruitment of the redesignated post.
As per the X Pay Revision Order the scale of Pay of Technician IV and V is 35700-75600 and 36600-79200 respectively. And Hence these posts may be redesignated as Technical Assistant Grade III with scale of Pay 36600-79200, with effect from the date of the Syndicate Resolution

3. The post of Instrument Technician in the Department of Physics and ISP be redesignated as Technical Assistant Gr I and inducted to Technical Cadre (Scientific) w.e.f. the date of joining. (Both the posts are having the same qualification and nature of duty)

4. Those who joined the University as Technical Assistants (irrespective of the Grade) be re-designated as Technical Assistant Gr. III as envisaged in the 9th Pay Revision order from the date of effect of the same ie, from 01. 07. 2009 and in compliance with the judgment in WP (c) 30527 of 2015-

The cases of those joined as Technicians in the University and Later placed as Technical Assistants under the CAS of Technical Cadre (Scientific) may be referred to the Standing Counsel of the University for an opinion regarding their redesignation as Technical Assistant Gr. III w.e.f 01. 07. 2009. It is to be noted that some of them have already been placed as Technical Assistant Grade III under the CAS of Technical Cadre (Scientific) implemented in the University.

5. As regards the grievance of the Store Keepers that their scale of pay had been cut down when compared to others with the same qualification, consequent to 9th pay revision, it is recommended to bring the matter to the notice of the newly constituted State Pay Revision Commission highlighting the qualification and responsibilities assigned to the post.

6. There are some posts in the University for which the scale of pay got lowered subsequently to implementation of 9th and 10th pay revision order; the committee recommends to send a detailed letter to the Govt. including the anomaly in the scale of pay of Statistical Officer, Library Professionals and System Manager. The same may also be brought to the notice of the Pay Revision Commission.

The meeting came to a close at 12.30 PM.
